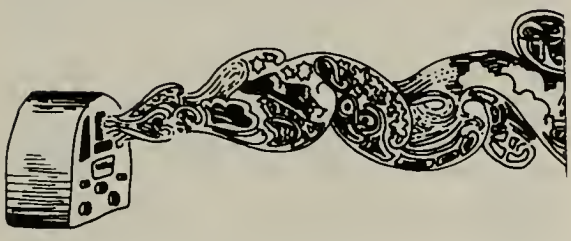
OPEN CALL TO DIRECTORS PRODUCERS PLAYWRIGHTS ACTRESSES ACTORS-



It has occurred to us that it's been a long time since the Drama & Literature Department has communicated directly with you, our listeners. We'd like to share some of our plans for the future with you and, hopefully, involve some of you directly.

What we'd like to concentrate on and create a resurgence of is good RADIO DRAMA. We're proud of the fact that Pacifica has brought you, over the years, some of the very best and most innovative radio drama. In fact, this month we've scheduled some of those "oldies-but-goodies" from our Archives-notably *Bride of ESP* (9/28), and *Skills of Xanado* (9/1). And, of course, *The Radio* has brought and will continue to bring you highly produced dramatizations of such classics as *The Count of Monte Cristo*.

We feel we can go much further in this area. In an age in which we are bombarded from every side by visual images, the very limitations of radio offer unique and exciting opportunities to stretch the imagination-remember the imagination? Whole worlds can be created through sound alone-the sound of the human voice, the spoken word, (remember the *word?)* Music-and the incredible range of sounds that can be electronically reproduced and even created by our technology.

We'd like to inspire some of the writers in our audience to write original radio drama for us, and to that end, we are instituting a Radio Drama Contest. Send us your scripts and we will choose the most interesting and exciting ones and give them the best productions we are capable of. We'll accept adaptations of other material as long as it is particularly and specifically suited to the radio.

Also, we are aware that New York City is an enormous talent resource and much of that talent is untapped. We'd like to open our air to you good actors without plays to act in, good directors without plays to direct and good playwrights without producers. Come in and talk to us about that classic you've always wanted to play, that play that no one would take a chance on.

In the next few months we hope to create here at WBAI not only an open space for the unused talent in our community, but a source of new and imaginative work in radio drama. Send your scripts (but not your only copy, please!) to Drama & Literature Dept., WBAI-FM, 359 East 62nd Street, NYC, 10021. We await the deluge!
